## **NOTICE OF ALLOWANCE**

### ***Election/Restrictions***

1. Claim 1 is directed to an allowable apparatus, and claim 29 is directed to an allowable process. Pursuant to the procedures set forth in the Official Gazette notice dated March 26, 1996 (1184 O.G. 86), claims 4-17, 19, 20, and 30-32, previously withdrawn from consideration as a result of a restriction requirement, are now subject to being rejoined. Claims 4-17, 19, 20, and 30-32 hereby rejoined and fully examined for patentability under 37 CFR 1.104.

### ***Examiner's Amendment***

2. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

#### **In the Claims:**

Please change the status identifier of each of claims 4-17, 19, 20, and 30-32, from "(Withdrawn)", to (Original).

### ***Allowable Subject Matter***

3. Claims 1-20 and 29-32 are allowed.
4. The following is an examiner's statement of reasons for allowance: The present invention is directed to a buffing head for reconditioning a work surface of an optical disc and a method of operating the buffing head. It is the examiner's opinion that the art

of record considered as a whole, alone or in combination, neither anticipates nor renders obvious the combination of rotating the disc and a corresponding movement of the buffing element through contact of the buffing element with the work surface, and a restrictor in communication with the buffing element for restricting the movement of the buffing element such that the buffing element moves at a speed less than the speed of the rotating disc, together in combination with the rest of the limitations in the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
